Scoil Mobhí caters for one class group per year, from Junior Infants to Sixth class. It is an inclusive school and caters for children of all abilities.

There are at present fourteen teachers in Scoil Mobhí, including the Principal. Ten teachers work with eight class groups. There are also three full time special education teachers based in the school. This means that there are one or two extra teachers working with each class teacher in the classroom or in a group room at different times during the course of a school day. Special Needs Assistants may be assigned to the school by the Department of Education and Skills (DES) to enable the inclusion of certain children with special educational needs.

Scoil Mobhí is dependent on the same grants and teacher allocations provided by the Department of Education and Skills to all primary schools.
